AGA KHAN DEVELOPMENT NETWORK

# IMPROVING THE QUALITY OF LIFE IN KYRGYZSTAN

For 20 years, AKDN has  
been contributing to the  
**economic, social, and cultural**  
**development** of Kyrgyzstan

## **AKDN in Kyrgyzstan**

- Agreement of Cooperation with Kyrgyzstan signed in 2001
- Multi-sectoral programmes aligned with national priorities
- 1,600 employees, 97% are nationals

## **Approach to Development**

- Improve the quality of life of peoples
- Establish and strengthen indigenous institutions
- Help people become self-reliant

## In partnership with the Kyrgyz Republic and its peoples AKDN has achieved noteworthy results:

**41,000+** learners  
educated

**100,000+** ha of  
land rehabilitated

**61,000+** people received  
quality healthcare

**385,000+** clients  
accessing  
reliable financial services

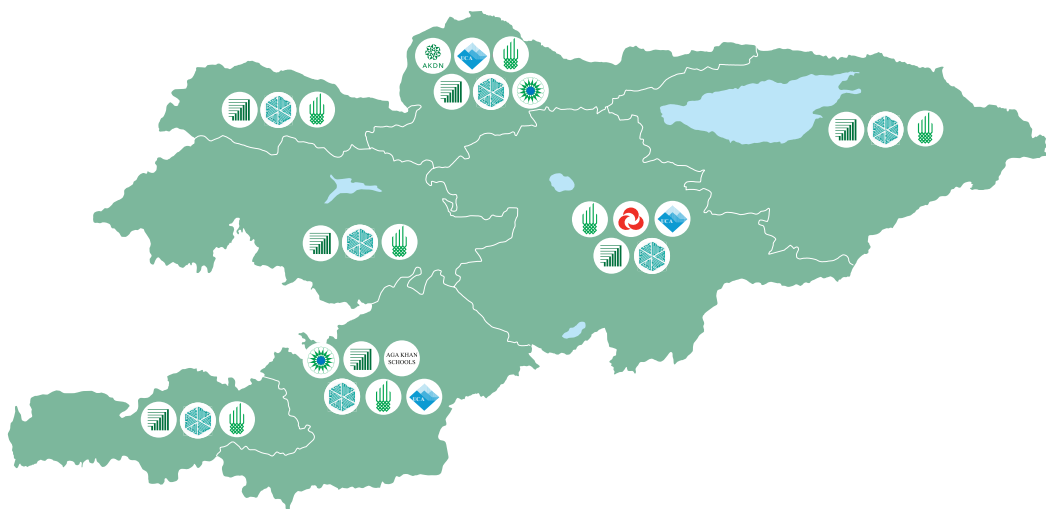

**160,000+**  
entrepreneurs  
supported

**8,000+** school students  
trained on traditional  
melodies instruments

## AKDN operates throughout the country

## Helping transform lives and communities

“

Using new technology helped my crops to grow and rejuvenated me.

Kalyikul, Farmer

“

What a wonderful opportunity to open the world of music to children and help them develop harmoniously.

Abazbek, Music Teacher

“

I believe that after graduation, instead of looking for a job, I myself will create new jobs.

Kanyshai, UCA Student

## In 20 years in Kyrgyzstan AKDN has established:

University of  
Central Asia
